MEMORANDUM FOR THE PRESIDENT

FROM: STU EIZENSTAT *Stu*
AL McDONALD *Al*
FRANK PRESS *Frank*

Last year Stu and Frank suggested that you should invite all forty living American Nobel Prize Winners and their spouses for an evening at the White House. The last time this was done was during the Kennedy Administration, when a gala evening was arranged. You asked that this idea be reconsidered this year. Such an affair would serve to --

1. Highlight the Nation's pride in these eminent people, and
2. Allow for an interchange between you and these scholars on important questions.

Most of the Nobelists would support your policies on SALT, CTB, R&D, energy, hospital cost control, and your efforts to galvanize the national spirit to tackle these complex problems.
