MEMORANDUM FOR THE PRESIDENT

FROM:

ANNE WEXLER *Anne*

SUBJECT:

BRIEFINGS ON AFGHANISTAN AND IRAN

Based on the briefings thus far, I believe we should add one more State Dining Room briefing for National Opinion Leaders with your participation.

Several national leaders were unable to attend the other briefings but expressed a strong desire to participate. In addition, there are several others whom we would now include because of our actions since the original invitation lists were developed.

Either Cy Vance or Zbigniew Brezinski could do this additional briefing if you concur. We recommend that it take place on Monday, January 21 or Tuesday, January 22.

Approve additional briefing in State Dining Room with my participation.

Do not approve additional briefing.
