MEMORANDUM FOR THE PRESIDENT

FROM: THE SECRETARY OF LABOR *Ray*

SUBJECT: Industrial Union Department of the  
AFL-CIO Legislative Conference

I would like to urge that, if possible, you accept the invitation to address the Industrial Union Department-AFL-CIO Conference on the morning of May 14.

Howard Samuels, recently elected President of the IUD, is a strong supporter of the Administration. Prior to his election, he served on my staff as head of the International Labor Affairs Bureau.

As you know, your speeches to the Building and Construction Trades Department have been very effective in building support for our programs and policies. I feel it is equally important to speak to this important group of industrial unions.
